Auditoria De Cuentas Por Cobrar Sesion 0 de 6: Auditoría De Cuentas Por Cobrar Auditoria De Cuentas Por Cobrar. client support: Lectura: Podemos mandar un correo de comentario sobre el proyecto, donde usted puede exponer sus opiniones y sugerencias. Can . Audits. Net: We can provide support for your Audits. Net software. .We're all fortunate enough to live in the same world, but different worlds have different rules, customs and values. We may find ourselves faced with questions of morality in our professional and personal lives. All of us have the need to know who we are in the eyes of others, and what is expected of us. We need to feel free to express ourselves and be true to our true nature, and not let others control us. There is freedom in being who we are, to be able to choose what we do and how we live. Your basic life philosophy is the way you believe in life, what you consider important and what you choose to do with your life. This philosophy needs to be consistent with the way you live your life, so that when you are faced with challenging situations you can respond in a way that is meaningful. What are the most important things in life? What makes you happy? What gives you fulfillment? What is most meaningful to you? Your personal philosophy will likely change over time as you gain understanding of yourself and the world. New beliefs will replace some of your old ones as you readjust your vision of life. You may find that certain aspects of your philosophy are contradictory to each other, and that you need to strike a balance between them. As you think about yourself and your life, the following questions may help you to gain clarity about what is important to you, and about your goals and your ultimate purpose in life: How do I want to live my life? What do I want my life to be about? How do I want to feel? How do I want to appear to others? What do I want to
