Oct 4, 2017... 30 redraws and colors, new logo, new button layout, new toolbar configuration and a lot of small changes. Developer/Shin Megami Tensei: Strange Journey Interview Game Informer: MegaTokyo Studios has been a hotbed for new Japanese RPGs. Can you give us a little introduction to your new game, Shin Megami Tensei: Strange Journey? Garry: Like our previous game, SMT seems to be more of a genre than any specific developer. The fundamental idea is very simple: like other major genres, there are common elements. For Shin Megami Tensei, it's the town—and in Strange Journey, you'll visit it again. Shin Megami Tensei is a collection of modes, and Strange Journey is just the first one. GS: What is the basic premise of Strange Journey? Will it be a new setting or time period? Garry: Strange Journey is the story of a girl traveling alone, or nearly alone—no, never alone. She is seeking for answers to her family's unexplained disappearance. The setting is Modern Tokyo, and the time is ambiguous between the Edo and Meiji periods. When the player steps into the world of Strange Journey, he doesn't know the whole story. GS
