It's an extraordinary sport on the overall scope of things. The genuine interest devoted to the advancement of this MMA game is admirable. For example, the characters of the UFC video game are trained since the beginning of the company to include a background of corporate police. The fighters' physical state is a huge factor of weight management, and the game doesn't pay respect to this important variable. EA Sports UFC 3 PC Edition is the PC adaptation of . It is another enjoyable franchise in the EA Sports UFC collection of fighting video games. EA Sports UFC 3 builds on the strengths and features of the two previous games, EA UFC and EA UFC 2. Undisputed 3 incorporates a robust combat engine that showcases the striking, clinch grappling, and ground fighting to round out the experience of the sport. Q: How to change the color of background when using both tab and div? Tab 1 Tab 2 Tab 3 Lorem ipsum dolor sit amet, consectetur adipiscing elit. Maecenas et diam non nibh. Donec viverra imperdiet enim. Pellentesque fringilla. I want to change the background color of the div when tab 1 is clicked. I am really unsure on where to start, I have searched online but only found people saying tab 2 and tab 3. This does not seem to work. Where have I gone wrong? A: You need to add another CSS selector for the background. Like this. `div.ui-tabs-selected { background-color: #ddd; }` The `div.ui-tabs-selected` is the style you are looking for. d4474df7b8
