Does anyone know how to find the serial number of a Sony PS Vita on the PSN? The ones with sticker were sold with the defective vita..

Missouri-Warren Regional Airport Missouri-Warren Regional Airport is a city-owned, public-use airport located two nautical miles (4 km) northwest of the central business district of Warren, a city in Stone County, Missouri, United States. This airport is included in the National Plan of Integrated Airport Systems for 2011–2015, which categorized it as a general aviation facility. Although most U.S. airports use the same three-letter location identifier for the FAA and IATA, this airport is assigned WRS by the FAA but has no designation from the IATA (which assigned WRS to Islamabad International Airport in Islamabad, Pakistan). The airport's ICAO identifier is KWRS. Facilities and aircraft Missouri-Warren Regional Airport covers an area of at an elevation of 979 feet (293 m) above mean sea level. It has one runway designated 3/21 with an asphalt surface measuring 4,200 by 60 feet (1,280 x 18 m). For the 12-month period ending December 31, 2009, the airport had 19,000 aircraft operations, an average of 53 per day: 99% general aviation and 1% military. At that time there were 27 aircraft based at this airport: 80% single-engine and 20% multi-engine. References External links Aerial image as of January 1997 2d92ce491b
